ORDER

JESSE M. FURMAN, United States District Judge:

Pursuant to the Court's March 10, 2023 Order, Plaintiff was required, absent a settlement with Defendants yuytee, Alucy, xuuyuu, Pongnas, Sinbuy-us, Rotekt1740, ANGGREK K-US, WYANG, and Kireinaa ("Opposing Defendants"), to reply to Opposing Defendants' opposition brief, ECF No. 40, by March 17, 2023. *See* ECF No. 45. To date, Plaintiff has neither indicated that the parties settled nor filed a reply. No later than **March 23, 2023**, at **5 p.m.**, Plaintiff shall update the Court as to their claims against Opposing Defendants. Plaintiff is also reminded that its proposed preliminary injunction order is due by **March 23, 2023**, at **noon**.

Additionally, Plaintiff's counsel seems to have misunderstood the Court's directive to "move to unseal every file on the docket that was previously filed under seal, unless there is a basis to keep [the file] sealed." ECF No. 45 (emphasis added); *see also* ECF No. 46. Plaintiff's counsel should not refile everything that was previously filed under seal; instead, Plaintiff's counsel should file a letter-motion on the docket identifying every document under seal (by docket number) and requesting that the Court unseal the documents.

SO ORDERED.
